The Department of Diagnostic Radiology is pleased to welcome Dr. Marcela Bőhm-Vélez as our guest.

Dr. Bőhm-Vélez has been active at the local, state and national level, both in the subspecialty of women’s imaging and in the advancement of radiology. She has served as a Board examiner in Ultrasound. She has held numerous positions with the American College of Radiology, the American Institute of Ultrasound in Medicine, and the Pennsylvania Radiological Society.

Dr. Bőhm-Vélez is a sought-after speaker and has numerous articles to her credit in the peer-review literature. We are fortunate to have her with us each year to help residents prepare for the Board exam.
